

REMINISCENCE 3.0

EXPLORING THE FUTURE OF
**INTERVENTIONAL
PULMONOLOGY**

29 AUGUST 2026

HAROLD VARMUS AUDITORIUM
7TH FLOOR, MSMC
NARAYANA HEALTH CITY

Organised by
Department of Respiratory Therapy
Narayana Health

OUR CHIEF PATRON

Dr. Arjun Alva

Senior Consultant, Director - Adult
Intensive Care and Emergency
Medicine, HOD For Department Of
Respiratory Therapy

Welcome to **REMINISCENCE 3.0**, a scientific conference focused on **EXPLORING THE FUTURE OF INTERVENTIONAL PULMONOLOGY**.

This event provides a platform for clinicians, respiratory therapist, healthcare professionals, academicians and student to exchange knowledge, explore emerging technologies, and discuss the latest advancements in interventional pulmonology. Through expert lectures, interactive sessions, and hands-on workshops, we hope to inspire innovation, strengthen collaboration, and promote excellence in respiratory care.

We warmly welcome you and wish you an enriching and memorable conference experience.

OUR MESSAGE

As we celebrate the 3rd edition of “Reminiscence,” we proudly reflect on a journey of growth, dedication, and excellence. Which began as a tribute to our seniors and mentors has evolved into a platform for learning, innovation, and professional collaboration.

From a small team of just 3 Respiratory Therapists, our department has grown into a strong and committed team of 36 professionals. This remarkable journey has been made possible through the vision of our mentors and the unwavering support of our leaders, colleagues, and healthcare partners.

Reminiscence 3.0 continues our commitment to advancing Respiratory Care by bringing together experts, educators, and clinicians to share the latest evidence, technologies, and best practices. We believe that continuous learning inspires better patient care and empowers every Respiratory Therapist to reach greater heights.

We warmly welcome you to be part of this inspiring journey of knowledge and professional excellence. Together, we can celebrate our growth and the prosperous of Respiratory Care.

“Honouring our roots, celebrating our growth, and inspiring the future of Respiratory Care.”

REMINISCENCE 3.0 offers a comprehensive scientific programme designed to enhance knowledge, develop practical skills, and promote professional collaboration in the field of Interventional Pulmonology. The conference brings together experienced clinicians, respiratory therapists, healthcare professionals, academicians, and industry experts for a day of insightful learning and hands-on experience.

Highlights of the Conference:

- Expert Scientific Lectures by renowned faculty
- Hands-on Workshops in Interventional Pulmonology
- Live Demonstrations of Advanced Procedures
- Evidence-Based Clinical Discussions
- Latest Advances in Respiratory Care & Pulmonary Medicine
- Industry Showcase and Technology Updates
- Interactive Q&A Sessions with Experts
- Networking Opportunities with Healthcare Professionals
- Certificate of Participation for All Delegates

Join us for an enriching experience that combines scientific excellence, practical learning, and professional collaboration while exploring the future of Interventional Pulmonology.
